

NIGHT OF LEGENDS

CORPORATE SPONSORSHIPS

WELCOME TO THE JEREMIAH CASTILLE FOUNDATION'S NIGHT OF LEGENDS.

The Fall of 2021 will mark 50 years since Coach Paul W. Bryant fielded the first integrated team with Black athletes. In May 2021, the Jeremiah Castille Foundation will host the Night of Legends event to highlight the golden anniversary of the first Black football athletes at the University of Alabama, while also providing a place of honor and reconnection for the brotherhood formed throughout the years.

We are excited to offer several sponsorship opportunities for this event. The support of the corporate community will ensure that this night is special for the members of the '71-'75 Alabama football teams and honor their commitment and sacrifice to be a part of the first integrated team at Alabama.
